June was the last bunco of the season and was another successful event. Food was superb. Big thanks Brian Deren for the delicious pulled pork and chicken. Thank you to our faithful members that show up and continue to bless us all with your support and bringing dishes to share. There is never a shortage of food and everyone gets to take home some extras .

Thanks to Brandon from Skoolie Foundation for attending and telling about all they doing to help out the homeless, kids and Veterans. What they are doing is so inspiring .

It was extremely nice to see Sarah Ann Hill and her husband drop by as they help out the Skoolie Foundation. Also was great to see friends of Sue attend and donate a beautiful basket for Sharon's Breast Cancer Charity. Over all we raised over \$500.

So thanks to each one of you for all that you have done to help raise funds for our charities from January-June. You are all so wonderful.

ORTING SOLDIER'S HOME CEMETERY

Only a small group of four South Sound Sea Hawkers showed up to help place flags for the 4th of July. Thanks Mary O'Connor, Colin Mitchell, Sharon Smith-Mitchell and Brian Deren. This was Mary's first time helping Thanks so much. We headed to Tim's Kitchen for breakfast afterwards. The Carpenters Union had a smaller group as well along with the four members of The Knights of Columbus.

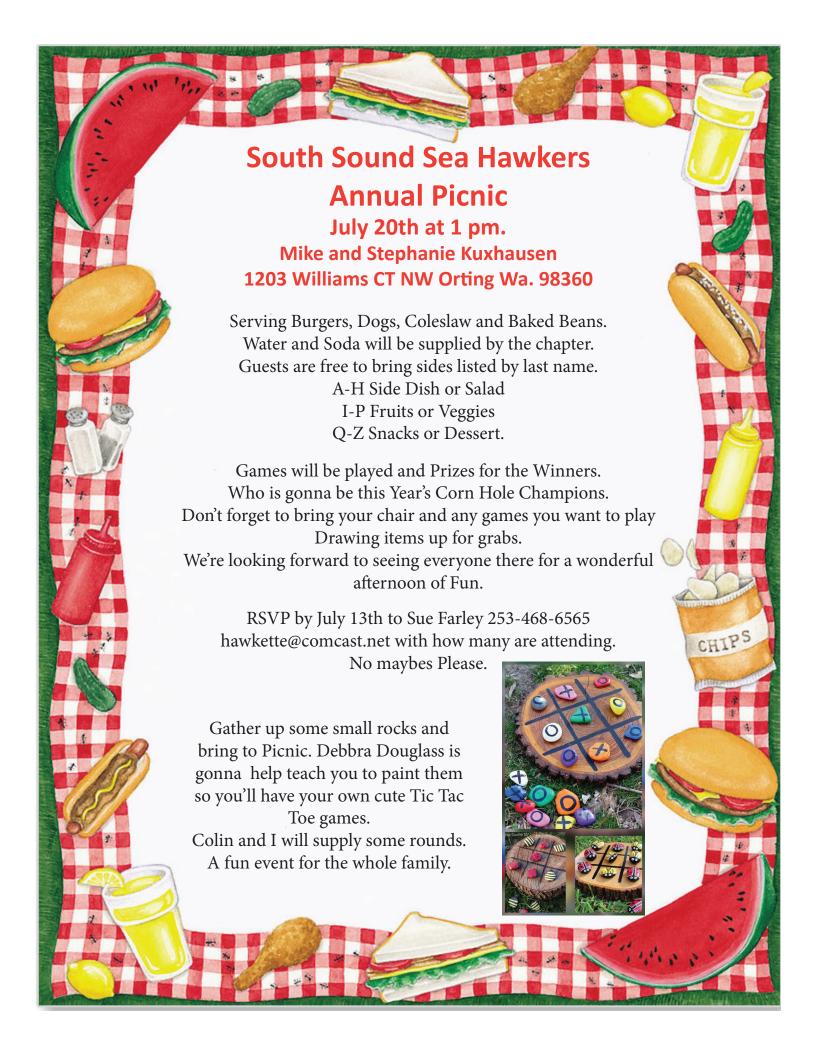

A much smaller group picked up the Flags on July 5th, so it took us much longer. Just five South Sound Sea Hawkers and some Knights of Columbus members with some of their family members. Sharon Smith-Mitchell presented Lynn Propeack with one of the 50th Anniversary Seahawks pins. He was very touched.

Our 5 members headed to Tim's Kitchen in Orting afterwards for Breakfast, which is always great.

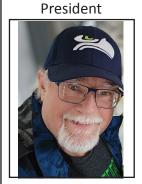

It was great volunteering making turkey, ham, chicken and roast beef sandwiches for the bikers for the race from Seattle to Portland. We were helping out at the Bethel Middle School. We met some amazing people. They didn't have as many helpers as other years but we got it done. Tomorrow they get to hand out the sandwiches that were made, along with fruit and water. Thanks to Colin Mitchell, Debbra Douglass and Sharon Smith Mitchell. They were definitely busy workers.
