South Sound Sea Hawks Upcoming Events

June 18th

South Sound Sea Hawks Team will begin our 3rd Relay For Life, supporting the American Cancer Society at Franklin Pierce High School in Tacoma. We need some help from some of our members! On Tuesday evening the 18th of May, we had a Relay for Life meeting with 16 of our members to discuss our preparation for the upcoming Relay. We are about 80% ready for this event, but still need some support from you. The cool part is that none of this support is financial. We are walking with a "Birthday" theme and need ideas on how to do that.

Right now we're still looking for lawn chairs for our eating/lounging areas, longer tables (4-6 feet), for people to sit in our canopy area; we could use some pop-up style 10x10 canopies, help with selling raffle tickets and most importantly people to cheer us on. If you want to walk a few laps there's no reason you can't, come on out and walk with the designated walkers and just have some friendly conversation.

The Relay is a 24 hour event that begins at 6pm Friday and ends at 6pm Saturday; a few of us will be there for the entire 24 hour period and as much as we all love each like brothers and sisters, we'd love to see some new faces from time to time. If you would like to stop by for 15 minutes or 3 hours, or drop off supplies, send an email to either; RLBrittle@comcast.net (Rick) or Ron.tollefson@alaskaair.com (Ron)

Highlights include. Tons of food! Roasted turkey, omelet breakfasts, fruits, snacks, sandwich materials, beverages (non-alcoholic)! Great cause and there are lots of people from other teams that pour their hearts into this as we do, to see the dedication and devotion is amazing! Music around the clock, and games during the night to keep people focused.

We are going to raffle off 5-7 theme baskets with amazing prizes in them, we'll also have autographed stuff we have collected during the year at various events to raffle off, and someone needs to help with that. Bottom Line we are 170 members strong! There are so many fun things we do throughout the year that the same individuals participate in because of reliability, we really want you to be able to share in those events. Start with this one. Come on out, volunteer to sit and visit while you sell raffle tickets, sit and visit while you root for our walkers, or walk and visit while doing a few laps. We'd love to see you if only for a few minutes on your way to another destination!

To start the Relay at 6pm were encouraging everyone to walk the *first* lap - after the first lap the 2 team members will continue walking their slotted time frame. Schedule for the walkers are;

***Anyone interested in riding the bus to the Seahawks games this year please let Sue know by phone at 253-537-4018 or email hawkette@comcast.net. Depending on how many people sign up will determine the price. We currently have a 47 passenger bus so if we could get 45 people it would run approximately \$14.00 per person. So far there are 23 people signed up. It's a good deal to ride on a party bus, no worries about traffic "just celebration over all the wins we are anticipating this year". You do not have to be a member to ride the bus, so if you have friends that go to the games get them to sign up too.
