

## SOUTH SOUND SEA HAWKERS CHRISTMAS PARTY

On December 15, the South Sound Sea Hawkers had a Christmas Party and viewing of the Seahawks and Carolina Panthers game. There was food (turkey, ham and all the trimmings), raffles, and lots of fun. And, of course, the Seahawks won. GO HAWKS

### JANUARY SPEAKER

The speaker for the January meeting is Susan Lord, Chairman of the Pierce County Coalition Against Trafficking (PCCAT).

Human Trafficking is modern day slavery: the use of force, fraud or coercion to control others into forced labor or commercial sex acts. Youth are particularly vulnerable, especially when experiencing poverty, homelessness, discrimination, trauma or isolation from support networks.

Washington State is prone to human trafficking because of the international border, ports and dependency on agricultural workers. Susan will inform us how we can help the fight against human trafficking.

### President's Message

As I start what will be my final year as President of the South Sound Chapter I want to say thank you to all of membership.

Thank you for making this "job" so easy.

Thank you for being what I believe to be what all Chapters strive to be. Thank you for providing the leadership of this organization, our membership includes four of the eight voting members of Central Council, and has for as long as I can remember. Thank you for allowing me to represent you, but mostly thank you for all you have done for all the communities of the South Sound Region.

Thank you for making a difference.

*January 5, 2020*

*Dear Sea Hawks,*

*As we say good-bye to not only 2019, but to our now, Past-President, Paul Gates. I want to take this moment to thank him for the time he's put in for leading this organization these last two terms, he held.*

*I am grateful and humbled to have been nominated and elected to lead such a great organization. Mike Flood has always said, "No other NFL team has a Booster Club as organized as ours." Each one of you should take pride in being a part of such an organization; an organization that has raised close to \$530,000 dollars and has donated over 24,000 volunteer hours (over 1,480,000 minutes) since 2017. In this 100<sup>th</sup> year of the NFL, our organization has led above all else in volunteer minutes for #Huddlefor100.*

*We are highly valued by the Seahawks organization and the numerous heartfelt charitable activity events we have shared with the team. One of my main objectives during my term is to 'tell our story better'.*

*By telling our story better, we naturally build relationships with our chapters, our communities, and our team. Over the years serving as*

Secretary of Central Council, I recognized the disconnection between Central Council and our Away Chapters; not being involved in meetings, a disconnection with the team players/coaches; their perspective on 'Who are the Sea Hawkers', and even a disconnection in our communities; again, who are the Sea Hawkers. I would like to lead us into building tighter, stronger relationships that will help spread the Sea Hawker name. It's been a known fact, our fans are everywhere, so why not try and make the Sea Hawkers a household name.

Our soon-to-be ratified bylaws include the following:

*Our Purpose:* Through volunteerism, to support the Seattle Seahawks organization, players and families, fans and enthusiasts.

*Our Mission:* To make the world a better place by raising awareness and funds for charities in the spirit of the 12s.

*Our Vision:* To create chapters across the globe in support of helping every community realize their own spirit of the 12s.

I cannot do this alone. I'm hoping to lead us there. I've been given this great opportunity to lead this organization, I promise, I will do my best to raise this organization up to the next level. My door is always open to you; your input, concerns and praises!

Happy New Year to all and GO HAWKS, let's beat the Eagles!
