10 AND 90 FOUNDATION DINNER AUCTION

LaVada, Marilyn, Gary, Sue, Cindi, Angie, Lou and Brian at dinner/auction

On September 21st members of South Sound Sea Hawks attended the 10 and 90 Foundation dinner/auction at Pacific Lutheran University. It was a fun evening with a silent and live auction, raffle, good speakers and good food.

The South Sound Sea Hawks had donated \$300 from the July Bunco and added \$200 to make a total of \$500. The Trufant Family Foundation also donated \$150.

CENTRAL COUNCIL

Central Council is currently in the process of looking at the Central Council Bylaws and any proposed changes. I've attached the changes to the email. If you have any comments, please let one of the chapter representatives know. Everything must be in to the parliamentarian by October 31.

The Central Council has the following nominations for the present positions up for election: President: Yolanda Morgan, Secretary: Shawna Burkholder, Vice President Liaison: Candy Johns & Vice President Entertainment: Elise Robinson. Nominees must be present at the December Central Council meeting, location to be determined. Nominations can still be made.

There are currently 9972 Sea Hawker members. There was a group of German Sea Hawkers present at the meeting, and they said there were 1000 members in Germany. They had come over for the game and were also going to host Touchdown City on Thursday night.

The Central Council is looking into applying for 501 C-3 status. They are working with a group that will everything for the club for one year at a price of \$3000.

Elise, Vice President of Entertainment, announced that the Sea Hawker's banquet will be May 30, 2020 at the Hilton in Bellevue. She is looking for theme ideas for the banquet. She would also like to have members to help out with the banquet.

David Lopez, the new VP Publicity, has updated the website and facebook. Members pages have also been updated. Check it out at seahawkers.org.

PARTY BUS

Sue Farley wants to remind everyone about the bus to the home games. We would like to get more riders. You don't have to be a member of Sea Hawkers to ride. If you are interested, contact Sue Farley at hawkette@comcast.net. I've also attached a flyer that lists all the dates and times.

TOUCHDOWN CITY

There is a new policy at Touchdown City. Everyone now needs a ticket to get in. If you don't have a ticket there is another way to get in. There's a Facebook post on the Sea Hawkers Booster Club page with some details.

NOMINATING COMMITTEE

The nominating committee for South Sound Sea Hawkers is Deanna Roe and Sylvie Ward. They will announce the nominees in October and we will vote in November. If you have anyone you wish to nominate email to:

Proposed	Reason	Proposed by
Add: Mandatory for Chapters to publish, via email to chapter membership, meeting minutes within 10 calendar days of the meeting.		
Move: From the Board Secretary duties - 'serve as the chair of the Grievance committee'.		
Move to the Parliamentarian duties - 'serve as the chair of the Grievance committee'		
Add: One member of the Grievance Committee shall be designated as the Assistant Chair. The Assistant Chair shall be selected by the Parliamentarian. The Assistant Chair shall be allowed to attend closed Council meetings when there are active grievances.	Certain events, illness or other issues can preclude the Grievance Chair from performing their duties. This puts in place an alternate to act in his/her capacity.	Brian Deren
Add: All Chapters, except Military, must hold at least one actual meeting per year.	It appears that some Chapters hold no meetings.	Brian Deren
Add: All Chapters, except Military, must have a reasonable defined geographical area. This area may need to be changed with the addition of new Chapters. Sixty percent of members must reside within this area. Central Council has the right to dispute this area and define a reasonable area for the Chapter.	There is a possibility that a Chapter can remain active without anyone actually still living in the area in which the Chapter was started.	Brian Deren
Add: Policy procedure. A procedure where the Full Council can add, amend or delete policies on how certain things administered. This would require no fewer than two Full Council meetings for any type of change. The proposal at the first and voting at the second with amendments being allowed at both meetings.	There needs to be a way that we can change how we do things without having to always change the bylaws. Examples; Grievance, Field Pass and special membership drives. Comment: <i>This proposal is not intended to remove the ability for individuals responsible for certain things to set a policy. It is suggested to aid the Full Council in setting, amending or removing policies if a need arises.</i>	Brian Deren
